Dear Internship applicant:

I am delighted that you are interested in applying to our [APA-accredited](#) Psychology Internship Training Program for the 2013-2014 training year. Our application process and application requirements are described below (and are replicated in the Training Program Description).

Our application and selection process has been designed to be in accord with the policies and procedures developed by the [Association of Psychology Postdoctoral and Internship Centers](#) (APPIC), including participation in the [Match](#). It is our intention to be in full compliance with both the letter and the spirit of the APPIC policy. This internship fully abides by the APPIC policy that no person at this training facility will solicit, accept, or use any ranking-related information from any intern applicant.

All applicants must register for the Match using the online registration system on the Match website at www.natmatch.com/psychint. Each year, the newly updated internship training program brochure is available after September 15 on the [VA Palo Alto Psychology Training website](http://www.paloalto.va.gov/MentalHealth/PsychologyTraining.asp) located at <http://www.paloalto.va.gov/MentalHealth/PsychologyTraining.asp>. If you apply for this internship, you are expected to submit all your application materials via the APPIC online application system. Go to the APPIC website at www.appic.org and click on the AAPI (APPIC Application for Psychology Internship) Online link. Completed internship applications are due in November each year; this year the due date will be **Thursday, November 1, 2012**. **All application materials must be submitted and received by us on or before this date.** Incomplete applications will not be read by the Selection Committee.

All application elements (#1-6) should be submitted using the AAPI Online system. Follow all instructions accompanying the AAPI Online to either enter your information directly, or upload your documents (#1-3). We encourage all CVs to be uploaded as Microsoft Word or Adobe Acrobat files. Only the transcript (#4) should be mailed in hard copy form to the AAPI Online application address.

Please note that, due to the high volume of emails sent during the application season, you will not receive a confirmation email from us that your application materials have been received. You can check on the AAPI Online system if your application is complete and if your DCT and letter writers have completed their parts (#5-6). Please wait until Monday, November 12, 2012, to either call or email Dana Iller at Dana.Iller@va.gov regarding the receipt of your application materials. We will notify you by email on or before December 15th of your interview status.

VA Palo Alto Training Interests Addendum

At the end of your cover letter, please **indicate to which of the 4 program training tracks you want to apply** (General, Geropsychology, Behavioral Medicine, Neuropsychology). Do NOT rank order these tracks in your cover letter. You may indicate up to two tracks if both tracks could fit your training interests and goals. Each of these VA Palo Alto training tracks is included the APPIC Match as a separate internship program site with its own match number. If your interests change, please inform us any time before the Rank Order List deadline.

In addition, at the end of your cover letter, please **provide a list of five rotation interests** from this Training Brochure. This in no way commits you or us to these rotations if you come to Palo Alto for internship. This listing helps us to know about your interests particularly for interview scheduling. If you are invited for interview, you will have interviews with the Director of Training and two Selection Committee members from the track(s) you have indicated, and an informational meeting with a current intern or postdoctoral fellow. We will then use this list to identify two additional staff members who may be scheduled to meet with you for informational meetings about training rotations.

Please use the format below by copying and pasting into your cover letter.

Program Training Track Interest(s): _____

Preferred Training Rotations:

- A. _____
- B. _____
- C. _____
- D. _____
- E. _____

Good luck with your internship search process. Please feel free to contact me with any questions which remain unanswered about our internship program or the application process.

Sincerely,

Jeanette Hsu, Ph.D.
