Defenders Lodge

- Ground Breaking: **Sept. 16, 2011**
- Est. Construction Complete: **Summer 2013**
- Est. Opening: **October 2013**

Through the generous donation of the PenFed Foundation, the Defenders Lodge will be a new 34,000 square-foot, warm and inviting "Hometel," befitting our nation's heroes. The Defender's Lodge will replace the existing overnight lodging accommodations for eligible Veterans receiving health care services. Its 52 room suites will offer 104 beds with more individual rooms available for patients with immune-compromised systems.
