

Rules of Engagement for Mock Codes

-  **NEVER run a training if another Code Blue has been called on the day**
-  **DO NOT run a training if the floor has had an e-Team on the day**
-  **Schedule with Nurse Educator and/or Nurse Manager at least 1 week in advance**
-  **Confirm training the day of**
-  **Put Sign (Mock Code) up outside the area to alert patients**
-  **Have simulator ready and set for code**
-  **Have an assistant who can stand by the door to ensure the Code Team treats this as if it is real**
-  **Debrief in the room; try not to spend more than 10 minutes**
-  **Thank the Team for their participation and ask them to stay for a debriefing reinforcing that the focus will be on the team as a whole and systems issues**
-  **Make sure to capture all salient points and communicate this to the CPR committee**
-  **Follow-up with the nursing manager regarding any system issues**
