

WBRC Testimonials

"This has been a wonderful experience for the both of us. It has given my husband confidence and self-assurance. It was important for him to meet other people with similar problems."

- Wife of a Veteran

"Thank you for putting a smile back on my dad's face!"

- Daughter of Veteran

"Thank you so much for the care and new devices to manage his (our) life. New adventures ahead! Thank you VA. This experience was beyond what I expected. He will be back."

- Wife of Veteran

"This experience has been a wonderful "eye" opener for me and our son who lives with us, and we both will be able to help my husband continue to utilize all the aids he has learned to use here and I know he and we will also benefit a lot. Thanks so much to everyone on the staff here at WBRC."

- Wife of Veteran

"Thank you for all the WBRC staff that they are all compassionate and understanding of our situation while we are coping with the loss of my husband's eyesight. We are blessed that VA WBRC is the best government organization."
